

*I met Graham many years ago in Spain when he spent 2 weeks sailing on 'Vagabond Prince' helping me to gain my sea legs. He subsequently delivered her to Poole in England. 3 years later and after I sold 'Vagabond Prince', Graham was engaged again to deliver my Vindo 40 'Chant d'Oiseau' which was followed by many weekend sails on the Hamble River.*

*I have also joined Graham on two deliveries, one from Malta to the Indian Ocean and the other of a new Beneteau from the factory in France to the Caribbean. Throughout all the time that I have sailed with Graham he has shown to me the confidence and experience of the highest degree.*
